ABOUT US

The Haitian Lawyers Association (“HLA”) is a 501c3 non-profit organization in South Florida since 1997. HLA’s primary mission is to support South Florida’s community by providing families with free legal representation in several areas including immigration, family law, landlord-tenant, and contracts law.

In addition to providing free legal representation, HLA hosts various community events, legal clinics, radio and TV programming, and seminars throughout the year to educate and advocate for its members and for families in South Florida.

Every year HLA raises funds to financially support law students in their mission and journey to a law degree. Last year, HLA celebrated 25 years of service to the community and awarded over Eleven Thousand Dollars (\$11,000.00) to deserving law students.

With your financial assistance, HLA will be able to celebrate 26 years of service to the community and award even more funds to deserving law students. Thank you for helping HLA achieve its goals in helping the community.
